

GBUXr

Whitepaper

GBUXr ERC-20

Introduction

GivBux makes it simple to send and receive mobile payments and send gifts from over 100,000 merchant locations including stores, restaurants, and entertainment venues. GivBux is becoming the most popular digital wallet app by building the largest giving community in North America.

You can also use GivBux to purchase crypto tokens in the token store of Active World Club.

Whether you're a customer, merchant, or charity – we can't wait for you to join us.

GivBux Rewards Token (GBUXr) is an ERC-20 Token found on the Ethereum Network. It is the native rewards token for the GivBux in App rewards system. AWRT was created and launched in August 2021 and has been live in the AWC Exchange for P2P trading by AWC members since September 2021.

ABOUT GivBux

GivBux is more than an app. It's a movement to encourage empathy, kindness, and compassion to make our world a better place. GivBux allows you to contribute to a nonprofit or a worthy cause of your choice. While using the app, you can automatically contribute a chosen percentage of each of your purchases to your favorite charity. Plus, you'll earn rewards while using the app. By bringing the merchants and brands you love together in one place, we're creating more savings for you and generating more sales at a critical time for business owners, all while increasing contributions to charitable causes. Whether you're a customer, merchant, or charity we can't wait for you to join us.

Buying Crypto With GivBux

You can use GivBux to purchase the following tokens and support your favorite charities at the same time. This is a unique collaboration allows you the purchaser to direct a portion of your token purchases to the charitable organization or cause of your choice. If your charity is not yet listed with GivBux the process is quick and efficient simply reach out to an Active World Club Member and they will take you through the set process.

GBUXr TOKEN

Ecosystem

GivBux is a lifestyle App that is designed to reward users for using the App to make phone calls, text, send money to friends, family and charitable causes along with other. When users perform certain tasks they can earn GBUXr which can be converted into GivBux and spent in any of the 100,000 locations that currently accept GivBux. GivBux is currently available in the Apple and Android stores.

ABOUT THE CREATORS

Active World Club

ACTIVE WORLD CLUB:

AWC was formed to serve as a peer-to-peer platform for the facilitation of Defi and NFT projects. The Club is to “invited members only” creating exclusivity by design. Within The Club there are opportunities for like-minded members to exchange investment thoughts, ideas, and strategies. Members are encouraged to share the discovery of rising artists, burgeoning inventors, small businesses, turn around financial opportunities, relaunches, M&A opportunities and create ways to right social or civil injustices, identify and fund worthy causes and all in one place. All this with the goal of pursuing the “crypto-lifestyle” of exotic cars, boats, planes, and travel. Our mission is to create a platform to decentralize, democratize and demystify finance opportunities through the use of cryptocurrencies.
